

2019 Winery Weekend - Heathcote (Shiraz Heaven)

This year will mark the 15th wine weekend the Quill Club has held in the Heathcote district.

As past attendees will attest to, a visit to cellar doors of the artisan winemakers in the region is somewhat of a unique experience with their passion flowing through into every drop and every bottle.

Heathcote is internationally renowned for its amazing hand-crafted wines grown in the ancient Cambrian soils of the region. The region is described by Wine Australia as “**the new jewel in its crown**”.

This weekend will provide the opportunity for attendees to meet some of these winemakers in person and immerse themselves in the Heathcote fine wine experience.
